That is why we keep abreast of new dental techniques and continually improve our professional skill and judgement. Most importantly, we are sensitive to your feelings and encourage open communication about your dental care.

Your dental health is important to us. You must be kept well informed about your oral health, therefore on your first visit you can expect:

- A thorough examination and review of your oral health, including necessary x-rays, cavity detection, gum disease evaluation and oral cancer screening.
- A comprehensive treatment plan will be developed and discussed thoroughly.

Enclosed is a medical and dental history form. Please complete it at your convenience and bring it with you to your first visit. If you have dental insurance, you will want to bring your insurance form and /or your insurance card. In addition, we would appreciate payment/co-payment for the first visit at the time of the appointment.

We recognize the value of your time. Except in emergency situations, we strive to see you in a timely manner. We appreciate your promptness. If you need to change your reserved appointment time, we require **2 Business Days** notice.

We look forward to meeting you. If you have any questions, please feel free to call us at (502) 261-0991.

Cordially,
